

Talent ID: 48273

Title: Registered Nurse

Location: Atlanta, GA

Professional Summary

Dedicated, compassionate, and adaptable professional nurse with experience in providing patient care in both fast-paced and remote environments. Skilled in handling high-stress situations with calm and effective communication, implementing nursing procedures, and training to promote safe, patient-centered care.

Professional Experience

Clinical Nurse (Hybrid)

Health & Wellness Clinic – Greater Atlanta Area, GA

2022 - Present

- Manages complex cases involving primary care concerns and coordinates fertility treatment cycles, including IVF, IUI, timed intercourse, and embryo transfers.
- Operates electronic platforms for remote triage requirements and ensures successful outcomes through effective communication in person and via EMR applications.
- Provides emotional support, education, and guidance to over 450 patients through their fertility treatments, addressing concerns with empathy and professionalism.
- Collaborates with a multi-disciplinary team, including finance, physicians, and embryologists, to create individualized treatment plans and ensure regulatory compliance.

Labor and Delivery Nurse

Regional Hospital & Women's Center – Greater Atlanta Area, GA

2021 - 2022

- Delivered patient-centered care to clients in labor, high-risk triage, and postpartum on a high-capacity unit.
- Monitored vital signs, documented patient progress, and ensured effective pain management for optimal comfort.
- Worked closely with anesthesiologists, supported Spanish-speaking patients, and led a team of nurses and rotating patients to deliver consistent, high-quality care.
- Interpreted fetal heart rate and contraction patterns, assisted with epidural administration, and performed regular assessments.

Standard Patient Emulator

Regional Health System – Greater Atlanta Area, GA
2019 - 2020

- Performed scripted roles to simulate various medical conditions, supporting training for healthcare professionals.
- Assisted providers in learning empathetic patient care through realistic scenario-based interactions and debrief sessions.

Guest Advocate

National Retail Chain – Greater Atlanta Area, GA
2017 - 2020

- Enhanced customer experience by assisting at guest services and resolving concerns.
- Collaborated with team members to ensure timely and safe food and beverage delivery and trained new staff members on company protocols.

Education

Bachelor of Science in Nursing

University in Georgia – Greater Atlanta Area, GA
2020

- Cum Laude, Honor Graduate, Class President, and President of the Nursing Association

Bachelor of Science in Pre-Nursing Studies

University in Georgia – Greater Atlanta Area, GA
2017

- Recognized for leadership and work ethic with department nominations at the state level.
