

Candidate ID: 73982

Title: Genetic Counselor

Location: New York City, USA

Summary

Genetic counselor with expertise in providing comprehensive genetic counseling services, particularly in the context of fertility, prenatal, and preconception care. Skilled in patient communication, genetic test coordination, and interdisciplinary collaboration, with experience in leading support groups and educational initiatives.

Professional Experience

Healthcare Organization, Greater New York City Area, Genetic Counselor

2023 - Present

- Conduct remote sessions reviewing carrier screening results, family histories of cancer, and the implications of various genetic tests.
- Coordinate with laboratories on test requisitions, logistics, and follow-ups for patients.
- Counsel patients regarding the use of egg and sperm donors, as well as discuss findings on mosaic embryos.
- Engage in multidisciplinary collaboration with physicians, nurses, and laboratory staff to provide optimal patient care.
- Lead team meetings and contribute to genetic counseling protocols.

Nonprofit Organization, Greater New York City Area, Support Group Leader

2024 - Present

- Facilitate support group sessions, providing emotional support and expert guidance to individuals navigating IVF.
- Collaborate with a multidisciplinary team to offer up-to-date resources and information.

Healthcare Organization, Greater New York City Area, Genetic Counseling Assistant

2022 - 2023

- Supported genetic counselors and nursing teams in managing patient care throughout fertility treatments.
- Ordered genetic tests, including carrier screenings, cancer panels, and family studies.

- Coordinated with laboratories to manage patient reports and variant interpretations.
- Developed educational content for healthcare professionals regarding genetic consults.

Rehabilitation Center, Greater New York City Area, Billing Department & Front Desk Secretary

2020 & 2021

- Scheduled patient appointments and managed communication between physicians and other healthcare professionals.
- Assisted billing staff with referrals and insurance claims processing.

Educational Institution, Jerusalem, Israel, Seminary Counselor

2020 - 2021

- Mentored a group of gap-year students, fostering a supportive environment while enforcing policies.
- Designed and executed educational activities, requiring quick problem-solving skills.
