

Talent ID: 18955

Title: Senior Fertility Nurse

Location: Los Angeles , California

Summary

Experienced and qualified registered nurse with a strong background in various healthcare fields, including oncology, surgical, medical cardiology, and theatre, with a specialized focus in fertility. Known for providing high-quality patient care, working well both independently and as part of a multidisciplinary team, and dedicated to fostering a supportive, effective healthcare environment.

Professional Experience

Senior Fertility Nurse

Leading Fertility Clinic, Greater Cork Area, Ireland

2018 – 2024

- Led, supported, and coached the nursing team, enhancing patient care and experience.
- Collaborated with multidisciplinary teams to ensure an optimal patient journey.
- Assisted the nursing team in implementing continuous improvement practices.
- Supported senior leadership with audit processes and regulatory compliance.
- Managed rosters and oversaw a team of six direct reports.

Additional Responsibilities:

- Conducted patient ultrasounds for cycle monitoring and early pregnancy (up to 8 weeks).
- Counseled patients on outcomes and managed cases involving miscarriage.
- Coordinated IVF cycles, IUI, TSI, and donation cycles.
- Assisted in theatre and recovery, as well as performed venipuncture and IV cannulation.

Staff Nurse

Cancer Care Center, Greater Melbourne Area, Australia

2017 – 2018

- Provided nursing support in imaging procedures, including biopsies, angiography, and PICC line insertions.
- Assisted with specialized clinics, managed suture and drain removal, and collaborated with consultants.
- Completed training in chemotherapy administration, with a focus on safe handling and patient education.

Staff Nurse, Cardiology and Medical Ward

Private Hospital, Greater Cork Area, Ireland

2016 – 2017

- Delivered patient care for both acute and chronic conditions, emphasizing patient dignity and respect.
- Assisted with discharge planning and coordinated with home care resources.
- Conducted patient monitoring, interventions, and administered intravenous treatments.

Staff Nurse, Theatre

Public Hospital, Greater Cork Area, Ireland

2015 – 2016

- Assisted with anesthesia and prepared specialist medications.
- Served as scrub nurse, responsible for complex equipment handling and surgeon support.
